# Beyond Hydrotherapy...

North Star's DTS™ Dual Therapy System combines **direct pressure therapy** with the benefit of all over **whirlpool therapy** to create the ultimate hydrotherapy experience.

## RESTORE

**Direct Pressure Therapy** gives instant relief to tight and sore muscles.

## Direct Pressure Therapy + Whirlpool Therapy

## HEAL

### Whirlpool Therapy

creates a powerful high volume all over massage to help relax muscles, reduce lactic acid and minimize swelling and soreness.

## CLASSIC SERIES

This series is what started the North Star Passion! Classic round hot tubs provide our exclusive \*DTS™ whirlpool therapy with comfortable barrier free seating. These models will fit most any need from size to depth and accommodate those wanting a simple hot water therapy solution at the best value. Adjustable stainless steel jetting and an LED light are standard in this series. \*MLP™ Mood Lighting Package is an option in this series.

## MODERN SERIES

This series contains different shapes and sizes to fulfill anyone's needs. With stylish and comfortable models, this series offers an array of seating capacity, depth, unique layout and all are 13 AMP plug & Play. Whirlpool flow, \*DTS™, adjustable stainless steel jetting and an LED light are standard in this series. \*NLP™ Northern Light Package is an option in the Modern Series except the Bella.

## SPORT EDITION

This series is for those that want more jet pressure in their hydrotherapy. These hot tubs are also found in the Modern Series but have increased horsepower to deliver the highest water flow available. Along with more hydrotherapy power, this series comes standard with our \*NLP™ Northern Light Package and adjustable stainless steel jetting.

## LUXURY SERIES

This series has all the features you want while keeping focus on simplicity and value. The hot tubs in this series have dual pump systems which provide the absolute best hydrotherapy available. Whirlpool flow \*DTS™, adjustable stainless steel jetting and \*NLP™ Northern Light Package are standard. Truly the top of the line and at a cost far less than the competitors, the Luxury Series value speaks for itself.
